

Cabinets & Countertops

Cabinets and Countertops

Timberlake

- All cabinets come with a 1-year installation warranty, and a 5-year manufacturer's warranty. For care and maintenance, please go to www.timberlake.com

Laminate Countertops

- Made of laminate glued to a particle board base
- To clean use a damp cloth and ordinary soap or household ammoniated liquid detergent.
- Do not use abrasive or granular cleaning products.
- Do not allow liquids to stand on or saturate joints, seams, or backsplashes
- Cigarettes will burn, knives will scratch and extreme heat will cause damage

Solid Surface Countertops

- Made of plastic resins
- To clean use warm water and soap
- Cigarettes and knives will cause damage but can be buffed or sanded
- Extreme heat may cause damage

Cultured Marble Countertops

- Made of crushed limestone and plastic resins
- To clean use a soft sponge and non-abrasive, non-acidic cleaners
- No sealing is required, but clean spills immediately

Granite Countertops

- Made of igneous rock
- To clean use soap and water, window cleaners or all-purpose cleaners. Avoid abrasives and those containing acids or vinegars
- Granite is porous. Clean spills immediately; avoid contact with acids, oils, & aluminum
- Will require periodic re-sealing, usually yearly. Sealers can be purchased at any local home center

All countertops have a 1-year installation warranty.
